

Get the Gen

Sunday 20th July 2008
9.30 a.m. to 2.00 p.m.
Nature's World

A conference for Parents and a great day out for children - all free.

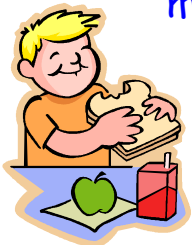

Contact a Family and the Northern Genetics Service have organised this conference for families who have disabled children. Whilst parent/carers are attending the conference, your kids can enjoy all the fantastic amenities at Nature's World (ALL children must be accompanied by an adult).

What happens when you are waiting for a diagnosis?

What happens when you are getting a diagnosis?

What about when my child gets older?

The conference will include workshops for parents/carers where you will get loads of information and the chance to meet others in similar circumstances. At the end, there will be a lovely lunch for everyone - including kids.

Places must be booked in advance so call Mishy Holt for details on 01642 785745
